NORTHWEST COUNCIL HOLDS FALL MEETING

P. T. A. Association Will Meet at Arlington Next Friday Evening.

The County Council of Northwest Suburbs, which includes the Parent Teacher associations in the towns from Park Ridge to Barrington will hold its fall council meeting in Arlington Heights on Friday, October 9, at the Methodist Parish House. At 10 o'clock there will be a business meeting. One of the most interesting parts of this will be reports from program chairmen on their plans for the coming year.

Following this will be a series of Round Tables; one will be on Child Study, another will be for magazine chairmen, presided over by Mrs. L. J. Kester, district magazine chairman and former president of the council. Another will be on home making. Mary Meade will talk on "When Lunches Go to School" and this will be followed by a talk on "Ways With Bread."

Comparison Of Registration Figures With 1932 Vote

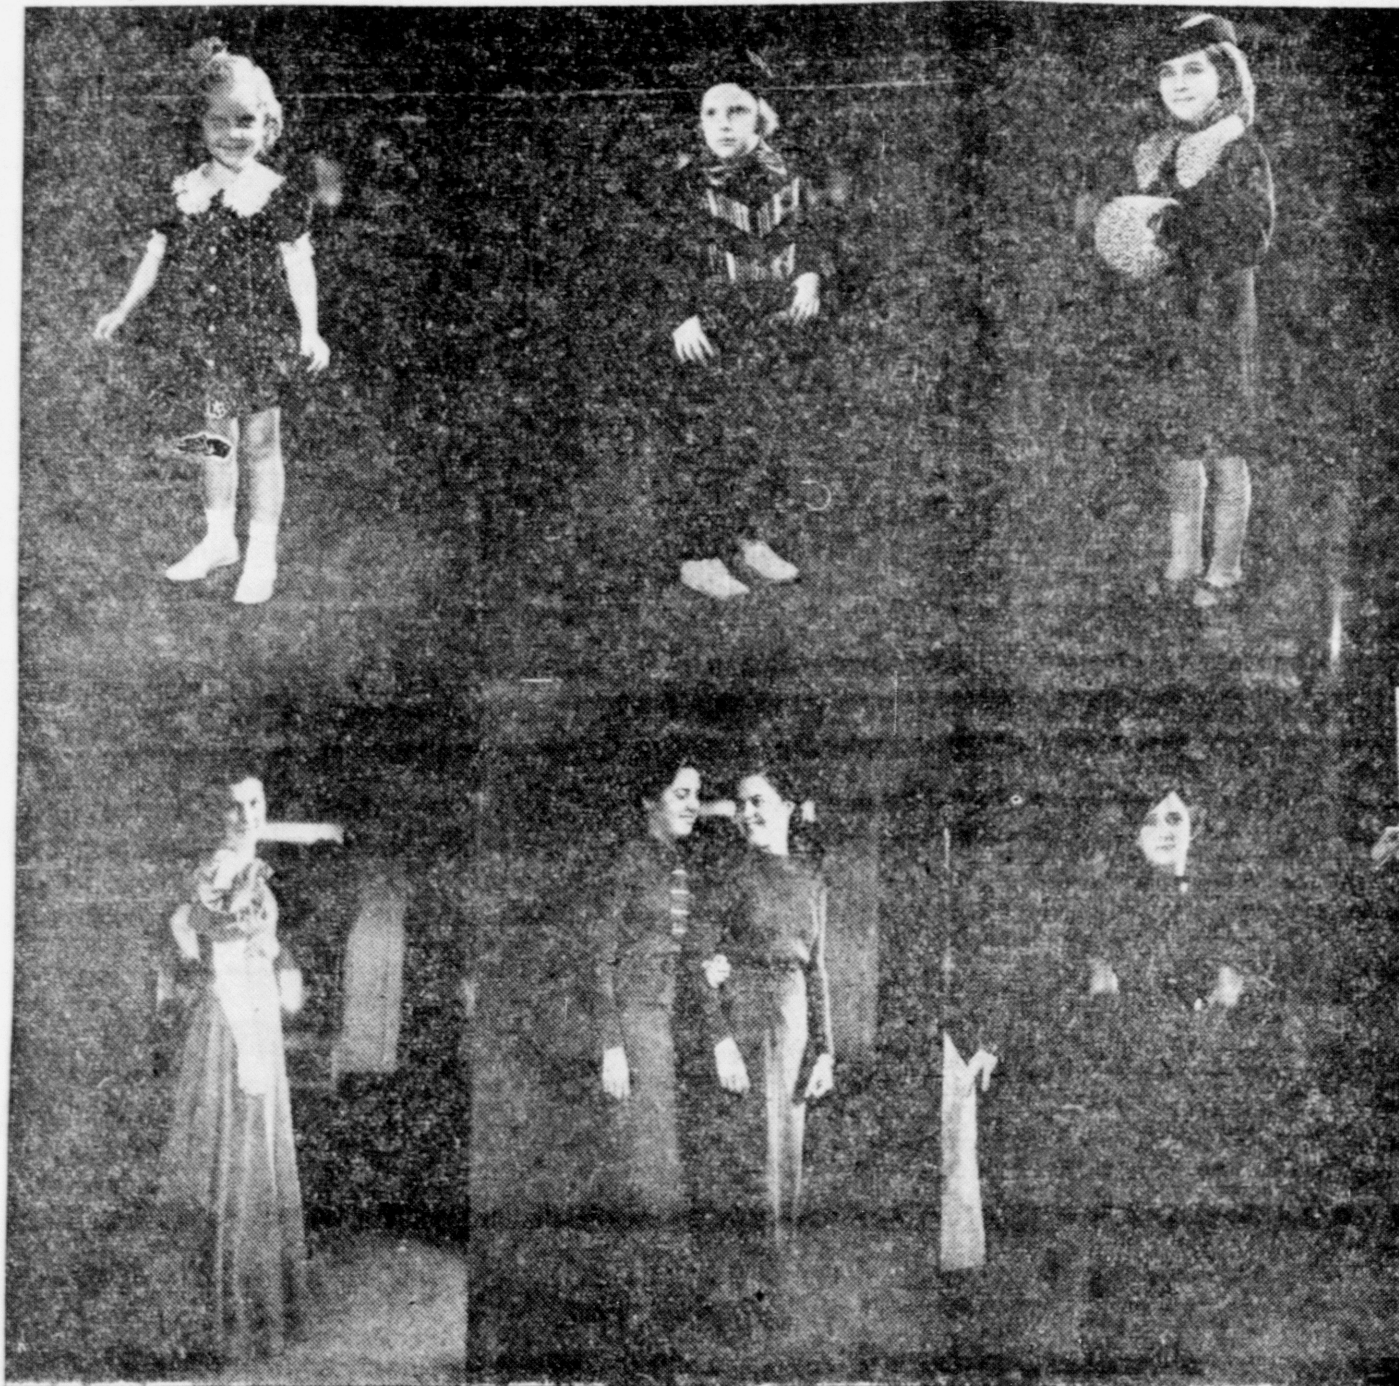

How much interest are the voters of Wheeling, Palatine, Elk Grove and Schaumburg township going to take in the coming presidential election?

LAST CHANCE TO REGISTER NEXT TUESDAY, OCT. 6

If you were one of those who neglected to register last Saturday you will have another opportunity next Tuesday to get your name upon the registration lists. If it is not there you can not vote at the November election. Illinois is considered the pivotal state in the forthcoming presidential election. Thus there is a strong possibility that the choice of the man who will be elected the next president of the United States depends upon Illinois and incidentally upon the number of the voters of this state who register. Less than sixty per cent of the voters registered last Saturday.

Next Tuesday is your last chance.

Has Girl and Marriage License, But Thinks \$3 Too Much for Ceremony

Wm. Henrichs and Florence Smith, both of Chicago came out to Waukegan road Tuesday evening, expecting to be married by one of the local justices of the peace. However, when the groom learned that the customary wedding fee was \$3.00, he considered it excessive and declared that he would not pay it.

He didn't, but he was taken into custody by Deputy Sheriff when he tried to express his indignation over the fact that country judges charge as much money as they do in Chicago.

Arlington Sells \$10,000 Tax Warrants at 4 Per Cent Interest

The Arlington Heights village board Monday evening sold \$10,000 of 1936 tax warrants to Kerfoot Liggett Co., with an interest rate of only four per cent. The village had previously called an issue of 1935 tax warrants that was sold nearly a year ago to the same firm, the interest on which was 4 1/2 %.

"The reduction in interest," stated Alderman Krause, "is indicative of the sound financial condition of the village." All outstanding 1935 tax warrants have either been called or paid and aside from the new issue authorized Monday evening the village has practically no outstanding general obligations.

Women of Community To Open Volunteer Hdqrs. in Arl. Heights

A group of women of the Northwest Suburbs of Cook county will establish a Volunteer Headquarters in the Schaumburg building, Arlington Heights, within the next few days. Further details will be announced later.

Our Village Clerk Is a Granddad

A baby girl arrived last Saturday at the home of Mr. and Mrs. Herman McElhose, Elmhurst. She weighs 7 1/2 pounds. The daddy was all smiles and carried a box of candy around with him Monday, while "Art" the granddad, seemed all frustrated. You see it is the first time that our village clerk has been elevated to such an august position as grandpa and he is not quite ready to join that class.

Nurse Dies When Car Hits Embankment Near Arlington Saturday

Anna Jane Towns, 21 year old Barrington student nurse was killed Saturday night when the car in which she was riding with Pearl Hall, her fiancée from Noble, Ill., crashed into a four foot embankment at the west end of Campbell street at Wilke road, Arlington Heights. She died in an ambulance en route to the Mt. Prospect hospital. Her death was due to hemorrhage and shock resulting from a broken neck.

After the crash, which occurred about 11:30 during a heavy rain-fall, Hall who suffered a lacerated face and a severe knee injury, took the girl from the car to the highway and hailed Mr. and Mrs. Lawrence Krefit who were driving from the north. Hall was taken to Dr. Meisenheimer for examination and first aid.

Coroner Ettelstein opened the inquest into the death of the girl and the causes of the accident at the Lumber and Oehler Funeral home in Arlington Heights, Monday morning.

Hall, who had seven stitches taken in his lower lip said that he had driven over 200 miles in his 1928 Ford coupe to keep a date with Miss Towns. They left Meyer's park at 10:30 o'clock and drove west on Campbell street. He said he was traveling at 35 or 40 miles an hour when he approached Wilke road. Seeing the lights of a car coming from the south, he slowed down, but when the other car appeared to be stopping for him, he kept on and attempted to make a left turn.

Afraid of hitting the other car, he continued straight ahead, he said, not knowing that Campbell street ended here. The result was a dive across the sloping ditch and a head-on smash into four feet of solid earth. After the crash, the other car went on, he stated.

Deputy sheriff, Ralph Miller and Officer Walter McCann who came to the scene of the accident also testified. They said that Hall was sober. Frank Towns of Cline, father of the dead girl, told how she was studying nursing and that she had taken her examinations the previous Thursday. She was living with a brother Raymond G. Towns of Barrington.

The jury returned a verdict of "accidental death."

Coroner Ettelstein severely criticized Hall for driving an old model car so fast in a strange town and narrow street on a rainy night. It was a suicide speed, he said. The point was also brought up that there is not a sign at the end of Campbell street warning traffic that the street was a dead end. Opinion voiced, stated that it was beyond the Arlington Heights limits and within the county's jurisdiction.

WOMAN'S CLUB OPEN FIFTIETH YEAR NEXT WED.

Winner of Tribune Music Festival and Noted Soloist on Opening Program.

The Arlington Heights Woman's club begin their 50th year Wednesday, Oct. 7, at the Methodist church parlors at 2:30 p. m. New members will be presented by the membership chairman, Mrs. Arthur Mundy and her committee, and welcomed by the president, Mrs. B. A. Noyes.

Mrs. O. G. Barrett, program chairman will present Raymond Steiner, basso-baritone, in a song recital.

Mr. Steiner, the winner of the 1933 Chicago Daily Tribune Music Festival, is also one of six best out of 5700 contestants for the WBBM Radio Contest of 1936. Mr. Steiner, a student of Helen Abbot Byfield, is an artist of note. He enjoyed the distinction of being a guest soloist with the Woman's Symphony orchestra at their concert in Grant Park this past season.

The officers for this jubilee year of the club are: Mrs. Burton A. Noyes, president; Mrs. Everett Waldfeldt, 1st vice president; Mrs. Thomas Wilson, 2nd vice president; Mrs. Harold Glawe, cor. sec.; Mrs. C. A. Ott, recording sec.; Mrs. H. Helm, treasurer; Mrs. Charles Fitzpatrick, Mrs. Jos. T. Scott, Mrs. H. Capps, Mrs. Harry Knaack and Miss Elizabeth Heller, directors.

The Arlington Heights Woman's club was organized in 1887, fifty years ago and the 50th anniversary program will occur on Reciprocity day Jan. 6, 1937. The year book, which is being placed in the hands of the members this week, is in keeping with the golden anniversary. Recognition in the book is also given to the public library, which had its beginning under auspices of the club and culminated in 1929 with the purchase by the club of the necessary library equipment costing \$1800, which was presented to the Arlington Heights Library Board at the time that the library was placed in its permanent home in the municipal building. A picture of the Shepard home and an interior view of the present library are included in the book.

The Arlington Heights Woman's club starts the year with a membership of 151 active members.

MERRY MINSTRETTES FRIDAY NIGHT

The Junior choir of the Presbyterian church are offering "Merry Minstrellettes" Friday evening at the parish house at 8 o'clock. Something new and different in a white face minstrel.

EVANGELICAL WOMEN MEET IN CONVENTION

Record Attendance at 12th Annual Meeting of Women's Union.

The Evangelical Women's Union of the North Illinois District, of the Evangelical and Reformed church, convened for the twelfth annual convention at Monee, Ill., Sept. 23 and 24, 1936. The record attendance of 350 delegates, visitors and pastors, proved the loyalty to, and the interest in the Lord's work. Much good should result from the splendid addresses by outstanding men and women of the united church.

The words of the convention theme, "Christ, the Never-Failing Light," on the beautiful banner, across the front of the church, were the basic themes for all addresses, given at the convention.

Dr. Frederick Frankfeldt, L.L.D., of Elmhurst church, and an outstanding leader, spoke on "The Light of the Christian Stewardship Ideal." This was a powerful and dynamic address. The speaker quoted: Christianity is essentially stewardship. The problems of the church would be solved if all church people, professing to be Christians, would be faithful in following the principles of Christian Stewardship. This was followed by two sectional conferences, in which lively discussions took place, centering on "Uthling," practicing stewardship in the depression leading our churches to adopt the principles of stewardship.

During the supper period the past presidents of the district, presented a beautiful candle-lighting service, in honor of the fifteenth anniversary of the Women's Union. The candles lit for the women of Bible days, candles for each of the special projects sponsored by the Women's Union and a candle for each one seated at the tables, was an impressive scene. This service was enhanced with music, was educational and had a challenge in store for each one present.

A song and organ recital was much enjoyed during intermission, given by Mr. Theophil Voecks, of American Conservatory, Chicago. The message at the evening service was based on "The Light of Service." Mrs. Hugo Schuessler of Evansville, Ind., a past national officer, and president of the Indiana District Union, was the speaker. In her usual pleasing manner she stressed the beauty of rendering service saying in this manner only, will Christ's religion live. Our churches must be beacon lights and if everyone of the church people would become vitally interested, (Continued on page 8)

Busse Pledges To Turn All Fees Over To County Treasurer

William Busse, Republican candidate for Recorder of Cook county, lashed out at the abuse of public trust by the Democratic party in a speech this week in Chicago and declared that he would turn over every dollar received for fees to the Cook county treasurer to the credit of the county.

"My experience as president and member of the Board of Cook county commissioners for 34 years," said Mr. Busse, "brought me into close contact with the Cook County Recorder's office, and if elected, I will surround myself with competent help. There will be no more of the so-called 'Abundant Life' in the county building, so far as the Recorder's office is concerned. Every dollar received for fees will be turned over to the county treasurer with the greatest possible dispatch."

MERCHANTS OFFER UNUSUAL PROGRAM

No Sales; No Admission Charge; Everything Is Free to Everybody.

Arlington Heights merchants are offering a style show and merchandise fair to the people of Northwest Cook county next Tuesday afternoon and evening. Its purpose is to acquaint the general public with various lines handled by the local stores. A style show in which a group of young ladies and twelve boys and girls will display the latest in fall clothing for milady's wardrobe, will be given at two o'clock in the afternoon and eight thirty in the evening. This program will be given in the gymnasium.

Twenty-three business booths have been arranged in the basement for the merchandise fair. Here the visitor will witness a machine testing greases; a typewriter display; various kinds of building materials; canary birds in action; coal stoker in operation; but blocking machine; modern lighting; and other displays prepared by local stores and their factory representatives.

There will be nothing for sale, but there will be many demonstrations. All in all, it gives the people of Arlington Heights and vicinity an opportunity to learn some of the ways that Arlington Heights merchants can serve them.

This show and fair is conducted not for profit, is a community event and is the first one of its kind ever attempted in northwest Cook county. There will be no door prizes or other measures used to draw prize crowds. The business men are depending upon the general interest of the public in every day things to attract them to the event.

The style show will be interspersed by entertainment by dancing pupils of Miss Diederich. They are Dawn Lama, Caryl Mundy, and Marjorie Moodie.

Boy Scouts will act as ushers and guides. Mothers who contemplate bringing their children are asked to attend in the afternoon. Same program is in the evening.

The stores cooperating in the show and in the merchandise fair are:

Studtmann Bros.
G. H. Wilke.
Arlington Bootery.

Mrs. Fred Domkowsky Dies; Failing In Health Many Years

Mrs. Fred Domkowsky, 414 N. Dwyer street, Arlington Heights, passed away Thursday morning, September 24. The funeral was held Sunday afternoon at St. Peter's Lutheran church with interment in Hillside cemetery, Palatine.

Pedestrian Badly Injured by Auto

William Leven, 1215 No. State road, Arlington Heights, was arrested on the charge of reckless driving Friday following the injury by his car to Charles Schuetz, 401 N. State road. The latter on his way home from work had just stepped onto the pavement at the corner of State and St. James street, when the car driven by Leven suddenly crossed the pavement. The bumper hit Mr. Schuetz' limbs and he was pulled to the pavement. Both legs were broken and he sustained other cuts and bruises. He is under the care of Dr. Starek at the Palatine community hospital.

The accident was witnessed by Mrs. Henry Schroeder and Victoria Heine, both of 401 N. State road.

The accident report of the police charged Leven with driving while under the influence of liquor. After remaining in the local jail nearly three days, he was released on bonds by Judge Kopplin, until the outcome of Schuetz injuries can be learned.

TO CELEBRATE OPENING OF NEW THEATRE

Big Parade Planned by Business Men and Civic Organizations for Saturday, Oct. 17.

Whoopie — It won't be long now. The Pal Theatre of Palatine opens on Sat., Oct. 17, and there will be some time. All Palatine is to be dressed up in flags and bunting days previous and on Saturday, the opening day a big celebration is planned. There will be a parade in the evening with two big bands in the procession.

All the business men, the American Legion and the Lions Club are behind this enterprise one hundred per cent. In honor of the occasion all the Palatine merchants are going to hold open house. The Palatine Fire Dept. will be in the parade and exhibit the finest lot of fire equipment in the northwest. Palatine invites all their neighbors to come to Palatine on Saturday, October 17. Spend the day. Get acquainted with our merchants and enjoy the celebration and the theatre in the evening.

The Pal Theatre in Palatine is going to be one of the best equipped theatres in the country with the very latest sound equipment and fine comfortable seats and the best in pictures. Remember the day, Saturday, October 17.

Nick Weizmann, after taking his annual vacation during the hay fever time, has returned home and has reopened his barber shop in the Vail-Javis building. Nick will be glad to again be able to serve his former patrons as well as any others desiring tonsorial service.

John Fenz, Pioneer Schaumburg Business Man Dies In 85th Year

Mr. John Fenz, 84, a pioneer resident of northwest Cook county, passed away Saturday morning, Sept. 26, 1936, at the home of his son-in-law and daughter, Mr. and Mrs. William Busse, Jr., Mt. Prospect.

The remains lay in state at the Busse home until the funeral which was held Tuesday afternoon at the Schaumburg Lutheran church, Rev. Pfotenbauer and Rev. Mueller officiating. Interment was in the family lot in Schaumburg.

The passing of this pioneer brings back memories of the old days when Schaumburg Center was a thriving country hamlet with a number of stores including a bank.

Mr. Fenz residing in a farming community comprised of German families, held the confidence and respect of his neighbors and friends. He sold them the supplies for the table, the things to wear, machinery for the field and hardware for the house and barn.

It was in the days before paved roads and autos and many a farmer depended upon the service of Mr. Fenz to market his produce. His advice was also frequently called upon in other business problems of his customers.

Mr. Fenz helped to organize and was president of the Schaumburg bank and for thirty years he was city, town clerk or supervisor of Schaumburg. He also was postmaster many terms. At the end of 35 years of active business he retired. Mrs. Fenz passed away in 1918 and since 1920 Mr. Fenz has made his home with his daughter, Mrs. Wm. Busse, Jr., in Mt. Prospect.

John Fenz was born August 21, 1852, in Schaumburg, Schwerin, Germany. He was three years old when his parents came to America in 1855. The family resided in Elk Grove until 1858 when they moved to Schaumburg township and for six years rented the former John Boeger farm. His father then purchased a farm now known as the Meyer farm, in the northwestern part of the township.

John Fenz attended the Lutheran school and was confirmed. This deceased was an active member of the church congregation 61 years. He was united to Miss Caroline Rohlwing June 21, 1877, to whom seven children were born, three passing away in their youth.

There remain to mourn his departure Mr. Herman Fenz of Chicago; Mrs. Hermine Gieseke of Arlington Heights; Mrs. Emma Busse of Mt. Prospect; Mr. William Fenz of Roselle; two daughters-in-law, and two sons-in-law; 13 grandchildren and one great grandchild; one sister-in-law, Mrs. Louise Rohlwing of Mt. Prospect.

DEDICATION OF NEW PIPE ORGAN AT ST. PETERS

Dedication Sunday Morning; Concert in Evening

After two months of worship, accompanied by an inadequate reed organ, St. Peter Lutheran church, Arlington Heights, is happy to dedicate its newly rebuilt pipe organ next Sunday.

The dedicatory rites will take place in the Sunday morning services, the German worship at 9:30 and the English at 11 a. m. This ceremony will emphasize the proper place of the organ in the public worship through the festivals of the Christian church year, and the sermons of the pastors will also carry the same thought.

In the evening at 7:30 an organ concert will be the feature of the dedication. Prof. Martin Lochner, professor of music at Concordia College, River Forest, is the guest organist. He will play a selection of sacred numbers of sufficient variety to demonstrate the musical potentialities of the new instrument. The three choirs of the congregation, the Senior Mixed Choir, the Junior Girl's Choir and the Children's Choir, all under the direction of Mr. Theo. Preuss, will add musical beauty to the occasion by offering a number of anthems and chorals.

The organ has been through a complete rebuilding process at the factory of the Kilgen Organ Co. for the past several months, and bids fair of being one of the best instruments in the district. Besides the entire mechanism being rebuilt, a new console embodying the latest features of organ building, has been installed in more suitable position. The tedious task of replacing all the intricate pieces of mechanism has been in progress several weeks, and should be completed in time for the Sunday services.

The original instrument was one of the best made at the time of installation many years ago, and the rebuilding was undertaken at the cost of \$2600.00 dollars, and should again give yeoman service for many a year.

St. Peters congregation invites everyone to take part in this happy occasion.

Nick Weizmann Reopens Barber Shop

Nick Weizman, after taking his annual vacation during the hay fever time, has returned home and has reopened his barber shop in the Vail-Javis building. Nick will be glad to again be able to serve his former patrons as well as any others desiring tonsorial service.

CHRISTIAN SCIENCE CHURCHES

"Reality" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, September 27.
The Golden Text was, "Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him" (1 Cor. 2:9).
Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Lord, thou hast been our dwelling place in all generations. Before the mountains were brought forth, or ever thou hadst formed the earth and the world, even from everlasting to everlasting, thou art God. O satisfy us early with thy mercy; that we may rejoice and be glad all our days. And let the beauty of the Lord our God be upon us: and establish thou the work of our hands upon us; yea, the work of our hands establish thou it" (Psalm 90:1, 2, 13, 17).
The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "God creates all forms of reality" (p. 513).

WALTHER LEAGUE TO HOLD SKATING PARTY

The St. Walther League of Arlington Heights, invites all its members to a roller skating party to be held at the skating rink in Meyers Park on Monday evening, Oct. 5, as part of the social program of the coming fall and winter season. The party will be open to all League members and their friends and will be held after the regular monthly business meeting. Refreshments will be served. A nominal charge will be made.

The Ladies' Aid luncheon will be held October 2, at the M. E. church at one o'clock. It's a pot luck luncheon following which a business meeting will be conducted.

Scout Writes About Honor Trip

At the end of each weekly period at Boy Scout camp, Oh-Da-Ko-Ta, one scout is chosen as Honor Camper by the officers of the camp. The scout so chosen is picked for what he has done in camp. If he fills in with the camp program one hundred per cent, helps improve the camp property, and is an all around good camper, he has a good chance to win the coveted honor.

At the end of camp all honor campers are taken on a trip as a reward for work well done. This year we were taken up to the Gardner Dam, Boy Scout camp which belongs to the Appleton council. This camp is located on Wolf River, five miles from White Lake City, Wisconsin and in a sixteen hundred acre virgin forest of birch, pine and other trees.

We left Oh-Da-Ko-Ta at 3:00 a. m. Sunday, August 23. When we left there was a heavy downpour of rain; thus we had the canvas top on the truck. The truck being loaded down with the luggage of both campers and officers (20 in number) and also the food for the week we were to spend there, was only able to average thirty or thirty-five miles per hour.

We traveled until we came to Hartford, Wisconsin. There we stopped to stretch our legs and then we were on our way again and we didn't stop until we came to Oshkosh, where we stopped to stretch and get some ice cream. We ate our fill and then continued on our way. A stop at noon time along the road was much welcomed for we ate lunch. No other stop was made until we came to the Menominee Indian Reservation on Wolf River. There we looked over the Reservation and then continued on our way, arriving at our destination about 3:30 p. m. Chicago time.

Arriving there we found the camp in good shape. The camp is divided into different sections and ours was far back into the forest and across the river. A foot bridge being the only means of crossing the river made it necessary for us to carry the luggage and food to our camp.

We slept in two open screened cabins while the mess hall was just above on the top of a hill. Having none of the conveniences like we have at home, we all had to do our share of the work.

Many of us had great fun exploring different sections of the forest. A great sport among the campers and officers was to go up stream two or three miles, build themselves a raft and float down to camp. Although it rained all the time we were there, it could not put a damper on our good time.

The trip home was much about the same as going up, filled with songs, yells, stunts and eats. We arrived back at Oh-Da-Ko-Ta Saturday, August 30, at 7 p. m., feeling that although we had reached the end of a wonderful trip, we will remember the good time we had, and the fine friendships we enjoyed.

Bowling Briefs

By HERB HAMMERL
It took "Jake" Krause to show the boys how to break into the "600 Series" class, and how he did it. It seems that "Jake" remarked how tough alleys 5 and 6 were, so he stepped out and got a 666 series with games of 217-226-225, thereby helping his team to win three more games. Krause Market are still undefeated. Nice going "Butcher."

This week showed a marked improvement over last week. The teams are starting to bring their team average up to 900 or better, where they should be. The individual averages showed an increase also. We expect to see at least 20 men in the 180 class before long.

Beg your pardon, John D. No more raspberries from now on. On alleys 1 and 2 Vail Tavern took two games from Arlington Elevator.

On 3 and 4 Blatz won the odd game from Park View Tavern and on 5 and 6 Krause Market continued on their terrific pace taking all three games from Union Tavern.

Mosquitos As Well As Weather Postpone P. T. A. Picnic Tuesday

Because of cold weather, damp ground, countless mosquitoes and probable showers it seemed wise to postpone the P. T. A. picnic which was to have been held Tuesday night at Fessler's farm west of Arlington Heights.

Being dependent on the above factors the committee cannot make a definite announcement of date, but the picnic will be held just as soon as the weather is conducive to such a happy affair—so check full of good times for everyone.

Therefore, whenever "skies are blue" ask your child if the picnic is to occur on the following day. He will receive notice through announcements made at school, and do not let him forget to tell you, mothers and fathers.

All the amusements are ready—everything is waiting like a jack in the box on an agreeable weather man. Be sure to come and get your share of fun.

Accomplishments of E. J. Barrett Auditor of Public Accounts

Edward J. Barrett, Auditor of Public Accounts is a candidate to succeed himself in that office and is willing to stand on his record in the office of Auditor, and his previous record as State Treasurer.

From 1930 to 1932 Mr. Barrett was State Treasurer. He administered that office efficiently and economically. One noteworthy accomplishment during his record as Treasurer was the fact that despite the unsettled financial conditions and the failure of many banks, not a cent of the money belonging to the State of Illinois was lost because of the failure of any bank; it was amply protected.

Banking Department

One of the principal duties of the Auditor of Public Accounts is supervision of the State Banks in Illinois. How effective this supervision has been may be seen from some of the following facts:

1. Deposits in Illinois State Banks now total more than a billion dollars, having almost doubled in the last three years. In June, 1933, State Bank deposits in Illinois totaled \$562,000,000. On June 30, 1936, the total amounted to \$1,049,000,000. Each year has shown marked increase in deposits. These figures show that State Banks have the confidence of the people.

2. No active bank was closed either this year or last year.

3. Practically all State Banks are members of the Federal Deposit Insurance Corporation. At least 98 per cent of the money on deposit in Illinois State Banks is insured by the Federal Deposit Insurance Corporation.

4. In order to give banking facilities to many communities a number of banks were allowed to open in which the depositors waived a portion of their deposits. If this had not been done many cities would have been entirely without banking facilities. An indication of how well this has worked out is seen in the fact that more than six billion dollars has already been paid back to depositors who waived.

5. The executive committee of the Illinois Bankers Association on October 5, 1933, adopted a resolution commending Mr. Barrett for the manner in which his office handled the banking situation developing from the national holiday.

The resolution reads in part: "Whereas, Edward J. Barrett, in his capacity as Auditor of Public Accounts, and his staff devoted themselves with untiring energy to the duty of supervising and authorizing the opening of state banks in the State of Illinois and performed it with a thoroughness and competency that merits the approval and recognition of the banks of the State of Illinois and of the general public; and

Whereas, as a result of the activity of the said Edward J. Barrett, as Auditor of Public Accounts, and his staff, during and after the banking moratorium, a large number of state banks within the State of Illinois were preserved in a sound and solvent condition;

Now, Therefore, be it resolved that the executive committee of the Illinois Bankers Association does hereby express to the Honorable Edward J. Barrett, and to his staff, its high appreciation for the thorough, and competent manner in which the affairs of the Auditor of Public Accounts of the State of Illinois have been conducted during and after the banking moratorium."

Receiverships

There are, in Illinois, something over 400 banks in receivership almost all of which were closed prior to Mr. Barrett's taking office. It was his responsibility to supervise the liquidation of these banks so that the depositors might receive as much as possible from them.

1. One of Auditor Barrett's first steps to conserve the assets of these banks was to consolidate the receiverships. He appointed William L. O'Connell, General Receiver, for closed banks, supplanting hundreds of individual receivers. This has saved the depositors millions of dollars. When Mr. Barrett took office the average receivership expense per bank per month was \$1,221.72. In 1933 this expense immediately dropped to an average of \$876.00 per month. During the first six months of 1936 it had further decreased to \$538.75 per month less than half of what it was when he took office. This figure includes all expenses in connection with receiverships in the large Cook county banks, and in the smaller down-state banks.

Prior to Mr. Barrett's administration the average monthly expense per bank in Cook county was \$2,489.32; for the first six months of 1936 it was \$944.52. In the Northern division of Illinois, outside of Cook county the former figure was \$592.08; for the first six months of 1936 the figure was \$467.59. In the southern division the former figure was \$492.08; the present figure is \$218.18. The average monthly expense for the entire state under Mr. Barrett was \$787.00 per month or \$435.00 a month less than the average prior to his taking office.

2. More than seventy-one million dollars has been paid to common depositors from closed banks in Illinois. More than fifty million dollars of this, or nearly 75 per cent, has been paid under Mr. Barrett's administration. This has been done without ruthlessly sacrificing the assets. Because of this policy it is estimated that at least another thirty-five million dollars will be paid to depositors.

3. In addition to dividends to common depositors, preferred and secured depositors have received sixteen million dollars. Off-sets amounting to twenty-one million have also been negotiated.

4. Twenty-two banks have either been reopened from receivership or liquidated by a Liquidating Cor-

poration. In all of these banks most of the depositors received 100 per cent of their claims.

5. Eight other banks which were in receivership have paid their depositors 100 cents on the dollar.

6. Another example of how the consolidation has saved money for the depositors is a comparison of the average amount paid for salaries and wages. Prior to 1933 the average monthly cost per bank for salaries and wages alone was \$566.38. The expense for the same purposes for the first six months of 1936 was \$212.12, approximately 40 per cent of what it was before the present Auditor took office.

Buildings and Loan Associations. Another of the duties of the Auditor is the supervision of Building and Loan Associations. Noteworthy steps have been taken to insure proper supervision of the associations. The laws under which they operated were out of date and did not adequately provide for the protection, supervision and expansion of Building and Loan Associations. New laws were needed so that the associations could prosper and do business in a reasonable manner. Auditor Barrett sponsored a new Building and Loan law which was passed at his request. It has simplified the law, made better supervision possible and greatly increased the efficiency of the Building and Loan Associations.

Credit Unions

A Credit Union is a co-operative society provided for by law, incorporated for the two-fold purpose of promoting thrift among the members and creating a source of credit for them at a legitimate rate of interest for provident purposes. Such a union may lend money to its members only and allow them to borrow money without paying exorbitant interest. All Credit Unions are under the supervision of the Auditor.

Mr. Barrett has been sympathetic toward these Credit Unions, believing that they fill a great need. As a consequence the number of Credit Unions has more than doubled since he took office, having increased from 108 at the end of 1932 to 274 at the end of 1935. The number of members has increased from 22,802 to 91,481; the number of borrowers has increased from 12,733 to 46,543. Total reserves of Credit Unions has increased from \$1,363,975.13 to \$5,166,636.00, and no Credit Union has ever become insolvent during Auditor Barrett's administration.

General Office

In addition to the above mentioned duties of the Auditor, it is also his province to keep the accounts of the State, to authorize payment of all bills, draw warrants for them and generally oversee the finances of the State.

The duties of his general office have increased tremendously. In the fiscal year ended June 30, 1926, just ten years ago, the Office of the Auditor issued 300,000 warrants; salaries of the employees of the general office for that year were \$102,682.00. Compare that with the fiscal year ended June 30, 1935. During that year the Auditor's office wrote 1,156,700 warrants. Salaries of employees for that year were \$99,000.00; in other words, in 1935 the office wrote three times the number of warrants that it did ten years ago, but less money was spent for employees. This is an indication of how economically Mr. Barrett has conducted the office. As a matter of fact for the biennium ended June 30, 1935, Auditor Barrett accepted, voluntarily, a reduction of more than \$106,000.00 in his appropriation.

On a record such as this Edward J. Barrett is a candidate for reelection.

Methodist Men's Club Dinner, Tuesday

The first meeting of the season for the Methodist Men's club will be held on Tuesday, Oct. 6. Dinner will be served at 6:45, and a program will follow. It is expected that general plans for the coming winter will be discussed by the entertainment committee.

The program for Tuesday evening should be quite interesting to all who attend. The prospective speaker is Mr. Walter Rang, who is assistant superintendent of mail delivery for Chicago. From his long experience in the postal service, he will present a discussion of the routine work which makes that vast department function. Also, as a postal inspector he has had many contracts with unusual happenings sure to be interesting to his audience. The program should set off a highly successful season for the Men's club. All members are urged to be present and to bring their friends.

LATTOF AND YUST FAMILIES NOW RESIDE IN ARLINGTON; NEW CHEVROLET DEALERS

The families of Nicholas M. Lattof and E. H. Yust have taken residence in Arlington Heights. Mr. Lattof and Mr. Yust are the new proprietors of the Arlington Chevrolet Company, formerly the State Road Motor Sales.

Both of the company officers have been connected with the Young Men's Christian Association. Mr. Lattof has been a Secretary of the International Committee of the Y. M. C. A. of North America for the last eight years. He was appointed to serve in Jerusalem, Palestine, immediately after his graduation from George Williams College of Chicago and the University of Chicago.

He served in Jerusalem as Associate General Secretary and for about five years acted as General Secretary.

Mrs. Lattof is also a graduate of the University of Chicago. She went to Palestine at the end of a nine month's world tour. While in Jerusalem, she served as honorary secretary of the Board of Directors of the Y. W. C. A. and of the Palestine Association of University women. The Lattofs returned from Palestine early in June. They now reside at 303 N. Haddon.

Mr. Yust is a graduate of Kansas Teachers College and he has taken post graduate work at the University of Chicago and Northwestern. For the last ten years, he has been connected with Geo. Williams College in the capacity of auditor and office manager. Mr. and Mrs. Yust will make their home at 630 Chestnut street.

FALLS DOWN STAIRS BOTH ARMS BROKEN

Mrs. Geo. B. Clark slipped on the front porch of her home at 310 S. Emerson street, Mt. Prospect, Saturday night, and fell down the steps, incurring several severe and painful injuries. Both of Mrs. Clark's arms were broken in addition to which she suffered a slight fracture of the skull and a badly wrenched leg.

It seems that Mrs. Clark came out on the porch to give some message to her son-in-law, "Bud" Smith, who had started the motor of his car, which was parked in the driveway, and it was only an act of fate that he heard his mother-in-law call after falling, for she fell with her head and shoulders under the car, and he might have started the car and driven over her.

Mrs. Clark is at the Women's and Children's hospital at Chicago, under the care of Dr. Koester, and in spite of her painful injuries, is reported in fine spirits and doing very nicely.

Observer's Notes

This my prayer, that we may see Love moving all humanity; That God will lead us from above, To be to all His gift of love; And that as one we'd seek to bind, Men, women, children, all mankind; It matters not if some are bad, Do we bring them the light we've had? Driving out wrong, nurturing right, Have we shown them the highest good, Binds men in one true brotherhood God speed the day when we shall see Man's Brotherhood humanity.

How can one keep from being depressed by newspaper, magazine and radio tales of man's inhumanity to man which makes countless thousands mourn?

No person would choose to remain ignorant of what goes on in the world today, yet knowing we seem so helpless to change or make things better by our knowledge.

One has to be informed each day over and over by newspaper headlines, and radio of the inhumanity of man to man. If they would tell the horrid tale but once, it would not be so wearing, but they tell of war troubles in Spain, Ethiopia and Italy over and over and rub it in like that marvelous lotion that cures all bodily ills.

Here is an example that poor little babe with a malformation which rendered human help impossible for the child and over radio and in the head lines the harrowing story was repeated to say the least scores of times. Such things are unnecessary; do no good to those in trouble and are nauseating to the public.

Got something nice to tell you. A late out door flower show staged on the home place of our honored centurion, the late Mrs. Joseph Kennicott, there stands an apple tree loaded with bright blossoms, as beautiful as a real may tree. What flower show can show a more beautiful sight? And how Mrs. Kennicott would enjoy it.

Purnell & Wilson Offer Unusual Bargains in Ford Nation Wide Car Sale

With the announcement that all Ford dealers in the United States are joining during the month of October in a nationwide Used Car Clearance Sale, Purnell & Wilson, Inc., reported yesterday that the local dealership has made complete preparation for active participation in this nation-wide Ford dealer activity.

"This type of nation-wide used car clearance sale," said Mr. Wilson, head of the local Ford dealership, "is something new and unusual in the automobile industry. We are joining the rest of the Ford dealers throughout the United States in inaugurating this new movement, and we expect that our share of the sale will produce the largest volume of used car sales in our history."

"We feel that hundreds of persons now driving cars that are growing more costly to operate and losing in trade-in value daily will take advantage of this October sale, with the new low prices and unusual bargains offered, to obtain better transportation for winter."

"Many of the used cars and trucks in our stock bear the famous Ford 'R & G' emblem, which means they have been renewed and bear our written guarantee."

Worms." It has been a puzzle to me to see why people are all the time fussing about a change of diet, according to scientific lectures. Before breakfast or after it has been served, the house wife should add up the different amounts of protein, fat, and carbohydrates found in the food, computing cards should be used at each meal and in the evening you can find out whether you have taken too much of one kind of food and not enough of another. Now isn't that appetizing? Eat sensible food you know agrees with you and forget it.

Here is the result of one woman's experience in a reducing diet: She made up her mind to reduce. By eating dry bread and fruit juice; It served breakfast all right, But at mid-day and night, What she ate would fatten a moose, So she made up her mind, What's the use!

Glad to see the old "Spring Lawn Farm" coming into its own again. It was once the ultimate for sight seers and pleasure seekers from Chicago and suburbs. An arched well 1100 feet in depth, throwing clear, sparkling water, piped into the house and all over the farm. An artificial lake with gold fish and all other popular varieties of the finny tribe—yes and even an eel.

In the park deer, buffalo, and an ostrich. We have a full history of the place with it closing tragedy when we woefully deceived by old time descriptions, moved into the place at a rental of "500" per year. The flow of water had been checked by a neighbor claimed its flow ruined pasture. The pipes were all over the house and farm, but the water had to be pumped by great effort.

In our history of this town we will give our old description of the place in the meantime we rejoice that the Fesslers are now its occupants and in their busy days find time for old time hospitality.

O say can you see
By the dawn's early light,
The voters all out
To engage in a fight;
Yes, men their wives and families there,
On opposite sides
In the strife I declare
We are free and equal
So we read it set down
If you failed to register
As well laugh as frown
Be sure you register October 6.

To be sure we do see by the dawn's early light, a shameful difference shown on the part of voters in our town in regard to foreigners have been rushed into this country whose votes will swell majorities, men and women not yet naturalized citizens. Watch!

We find fault with present conditions in our nation, in our state and in our town. It is indifference on the part of right minded people who have allowed wrong measure, and persons to creep in.

No use to scold, let us each one do and encourage those who endeavor to lift our town to higher standards. For this rejoice to learn that our business men and merchants are moving to give a one day fair and style show in the Presbyterian parish house, where in twenty-three booths will be shown or exhibited specimens of their wares, the object to advertise their goods—a real merchantile mart, to be given October 6, plans not yet developed. A most commendable get-together plan.

The local merchant who is wise Studies cute ways to advertise; Some draw, most trade if they are funny,

Some call attention by surprises, A contradictory queer surmise; Puzzling folk in what they mean to say, To find out, see them rush that way.

On October 6 and 7, nationwide "Good will days." Be sure you remember it, no matter what your creed, race or party remember God is our Father and we are all His children. Remembering this, assemble in His name in one common Brotherhood.

Remember, day by day we draw nearer to our quadrennial battle front, a battle of ballots. Don't shrug your shoulders and say one vote can make no difference. It is your duty as a loyal American citizen to vote, not for the man, but for the principles he represents—be sure you vote.

No bugle note will sound a charge, No banners waving on the air, Yet a battle of an import large is waging everywhere.

People who are for things worth while
In our nation east or west,
Will go to the polls and happily smile,
To vote for whatever they believe best.

A thing that is safe for you or me, If we still indifferent sit,
While our brother blinded helplessly,
To his ruin goes through it.

God will not hold us guiltless when Accused in His presence we stand,
If we shrink in shielding weaker men,
From ruin on every hand.

And things for ourselves we'd like to see,
May be ruin or harm to the rest;
So voting remember that should be best,
Which unto the whole brings the best.

For that which harms another man, Are not right things at all;
And God in justice places a ban,
Where one leads another to fall.

Then men and women with aims worth while,
Vote for things you know to right,
Assured that God and your mother would smile
If you met them in heaven tonight.

We shout "there ought to be a law" and then do not vote for men and women who attend vigorously to law enforcement. It is not laws we need, but strong officials to enforce the laws already on our statute books.

Admit the men in office attended strenuously to enforcing the edicts sent forth in our present administration limiting crop production of crops on our well tilled land and allowing foreign countries to flood our markets with their grain.

A cry goes up to heaven From wastes of untilled soil,
Front rise of sun to even,
Our broad fields idle stand,
Waiting the workman's hand.

Where are the men who toil? Who lured from far below,
Products the harvests show;
Man's daily food.

They bore no heavy yoke too hard, For honest men to bear,
With faithful hand and cheerful
The soil prepared and fertile made,

For sowing seed for harvest good, That down through long ages stood,
Man's life and strength to aid.

Still from the soil here men must bring,
For lowly ones, as for the king;
Their meat, their bread, the dower
Of life's sustaining power;
Must on the soil depend,
As on a nurturing friend.

Hark the long cry of the soil,
No more above us waves
The golden grain;
The recompense of toil.

"Heedless of rain, sterile we lie,"
All hard and desolate,
No man with peaceful sigh,
Looks o'er his fertile field,
Waiting the harvest yield.

On our best fields the sportsmen come,
On meadow and on farm,
Destroying ancient charm,
Of many an old time home,
They hear not hunger's call,
For foods the soil should give,
The daily bread for all
That man might live.

In their mad haste, the soil lies waste,
Hear the voice questioning
"Have men of earth no visioning?"

Growth of Prejudice

Prejudice is a rank weed of rapid growth. Let yourself dislike a person, and you will shortly find that it is impossible for that person to do anything that is right or reasonable.

FIREMEN BATTLE SMOKE IN SOUTH SIDE HOME

Our fire department was called out Tuesday noon, September 29, to extinguish a fire in the home formerly occupied by the John B. Maroons at 315 W. Pella avenue.

The house is being redecorated and varnish remover being used by a workman caught fire. The damage from fire apparently was slight, but there was quite a lot of smoke damage and some of the firemen spent an unpleasant few minutes in the smoke filled house.

SCOUTS TO HOLD FALL RALLY

Invited to Football Game

The Gimogash Tribe, an honorary Indian Society of Scouts and Scouts of the Northwest Suburban Council, Boy Scouts of America, have completed their plans for the annual fall rally and overnight camp, which will be held this year in the Elk Grove Forest Preserve just north of Higgins road. The date has been announced as October 16-17-18, giving all Troops a chance for a two night camp, although the main program will take place all day Saturday, October 17, when the camp will officially open at 9:00 a. m. and close Sunday, October 18, at 8:00 a. m.

There will be three hours of competitive Scouting events on Saturday afternoon for which medals and bars will be awarded for first, second and third places to the Scouts. At the same time the Scouts will gain points for their Troops towards winning the Gimogash Plaque, which is being donated by the Tribe as an award to the Troop scoring the total highest number of points, not only in the events, but likewise through the number of Scouts and visitors from each Troop, personal and camp inspection, and participation in this, the First Annual Gimogash Pow-Wow.

This is the first rally the Gimogash Tribe has planned for the Council and it looks forward to much success particularly as each Troop will have plenty of time to plan and practice for same.

The events selected are as follows: Group events—signalling, fire by friction and wood chopping; individual events—Scout pace, compass and an O'Grady Drill. In dividing the contests into parts it will give each Scout an opportunity to participate in at least one event.

The directors of the Pow-Wow are the following:
Chief of the Gimogash Tribe—Frank Saville, Director.
Asst. Chief of Gimogash Tribe—Martin Hapeman, Asst. Director.
Keeper of the Council—Bob McKinley, Campfire Director.
Keeper of the Totem—Cliff Taylor, Registrar.
Keeper of the Wampum—Robt. Krinn, Scorer.

Wisemen—A. J. Beckmann, health and sanitation; Harland Roden, permit, etc.; Harold Alexander, publicity; E. J. Anderson, morale officer; Jess Yates, Robt. Bignall, Frank Perkins, Al Schmidt, judges, etc.

The Scout Executive of the Northwest Suburban Council has just received the following letter from the Evanston Council, Boy Scouts of America:

"My dear Scout Executive:
Northwestern University extends to you, all your Scouts, Senior Scouts, Cubs and Scouters, a cordial invitation to attend the Northwestern University-North Dakota football game on October 10.

"Scouts are requested to come as Troops with adequate adult leadership and not as individuals. Your cooperation in maintaining good Scout conduct will be appreciated. Uniforms are especially requested by the University and should be worn although admittance at the gate will be by current registration cards.

"All Scouts are to report at Gate 1 (first gate on Central street from the east) by 1 o'clock. Please do not plan to meet at the gate because of crowded conditions.

"Drivers of cars will be admitted upon presentation of a note or certificate signed by the Scout Executive.

"Dyche Stadium is located on Central street west of the elevated tracks and east of the Chicago North Western tracks. Cars coming in on U. S. 41 turn west on Central street. Cars entering from West Railroad avenue (north extension of McCormick drive), turn east on Central street.

"We hope that you can bring a large 'gang' to enjoy this game.

"Yours very truly,
"E. D. Kelly,
"Scout Executive."

San Carlo Opera Co. Opens Oct. 5

Music lovers of this city will be glad to know that the popular San Carlo Opera company returns October 5 to the Auditorium Theatre for an engagement of three weeks.

All the popular principals of last season have been re-engaged and three outstanding new singers have been added. One is Stella Lenci, young Italian mezzo soprano. The second is Charlotte Symons, who made her Chicago operatic debut with the company two years ago, was drafted by the Metropolitan, and now is on leave with the San Carlo company for the fall season. The third is Kenneth Sakos, Greek tenor.

Signorina Lenci, although Italian born, was reared in Minnesota. She completed her musical training with two scholarships at St. Cecilia's Conservatory in Rome, and made her operatic debut as Amneris in Aida at the Adorno Theatre three years ago.

Miss Symons sang three years with the Philadelphia Grand Opera company and has been heard widely in recital.

Mr. Sakos was trained in Greece and in Italy.

The opening week's operas are as follows:

Monday—La Traviata with Lucile Meusel, Charlotte Bruno, Dimitri Onofrei, Mario Valle and the ballet.

Thursday—Aida, with Bianca Saropa, Stella Lenci, Aroldo Lindi, Mostyn Thomas, Harold Kravitt and the ballet.

Wednesday—Madame Butterfly, with Hizi Kovke, Florence Wyld, Rolf Gerard, Bruno, Valle.

Thursday—Faust, with Charlotte Symons, Gerard, Kravitt, Thomas, Bruno and the ballet.

Friday—Lohengrin, with Kravitt, Onofrei, Saropa, Valle, Wyld, and Kozakevich.

Saturday Matinee—Martha, with Meusel, Bruno, Gerard, Kozakevich and ballet.

Saturday Evening—Il Trovatore with Saropa, Lenci, Bruno, Lindi, Thomas, Kravitt and the ballet.

Sunday—Cavalleria Rusticana, with Saropa, Bruno, Falco, Kenneth Sakos and Kozakevich. Followed by—PAGLIACCI, with Symons, Lindi, Thomas and Kovakevich.

Carlo Peroni, who is famous for being able to conduct sixty grand operas without consulting the score, has been re-engaged as general musical director of the company.

Scenic Contrasts in Death Valley

Death Valley is a region of dramatic scenic contrasts, with multicolored mountainous formations. The floor of the valley is 276 feet below sea level. It is pocketed between the Panamint mountains on the west and the Funeral and Grapevine mountains on the east. All a part of the Sierra Nevada range. Death Valley is approximately 150 miles in length and at maximum points from 15 to 30 miles in width.

Red Cross First Aid Increases

James B. Forgan, chairman of the Chicago chapter, American Red Cross, today announced the opening of the chapter's seventh Red Cross highway first aid station in the Diamond X Service Station on the southwest corner of the intersection of Roosevelt and Butterfield roads near Elmhurst.

"Since the opening of the first station in Morton Grove last February," Mr. Forgan added, "The Chicago chapter has inspected and considered 182 prospective station sites, placed in operation 17 stations and started the training of personnel for 23 additional. All persons receiving the training serve as volunteers without compensation. Necessary supplies and equipment are furnished by the Red Cross.

"Thirteen of the stations now in operation are in Cook county, located at Morton Grove, Willow Springs, Matteson, Homewood, Park Ridge, Des Plaines, Orland Park, Niles Center, Niles, River Forest, Western Springs, Oak Glen and South Holland. DuPage county has three stations, situated at West Chicago, Downers Grove and Elmhurst. The Lake county station is in Lake Forest.

"Stations are designed to provide day and night emergency first aid treatment for accident victims. Patients are cared for until a physician can be secured and ambulance transportation to a hospital arranged. Reports from stations in operation show that this emergency treatment prevents minor injuries from becoming serious and major injuries from causing death."

Des Plaines Historical Society Sends Invitations To Local Historians

The Des Plaines Historical Society will observe its first anniversary Oct. 15, 8 p. m. at the Junior high school, Des Plaines. An open invitation has been extended to Arlington Heights residents who are interested in the earlier history of this community and which interest might later lead to the establishment of a similar society in this village.

A special invitation has been forwarded through this paper by Victor W. Richter, secretary of the Des Plaines organization to the members of the Arlington Heights Library board and individuals. Mr. Richter hopes to have Arlington Heights represented on the program on the above evening.

A genealogical study is part of the program of the Des Plaines organization, which will be conducted through the school children, also interviewing the older folks. A volume of Robert Kennicott, the noted scientist, is being projected.

Mr. Richter says that an invitation similar to the one received by Arlington Heights, has been forwarded to Park Ridge. "There are many forms and possibilities of exchange, barter, selling, auctioneering when three societies in close proximity fraternize.

This paper has frequently advocated the establishment of a historical society in Arlington Heights. Here is an opportunity for those who might be interested, to attend the meeting in Des Plaines, Oct. 15, out of which may crystallize a local society.

GARDEN COLUMN

Now is the time to work some bone meal or plant food into the soil where plantings of hardy bulbs are to be made. Poor soil means poor blossoms, and the bulbs will gradually decrease unless properly taken care of.

Narcissi, tulips and hyacinths for forcing in pots should be planted now. Use moderately rich loam in the pots and bury them in the soil outdoors. Mulch the surface before freezing weather, so that the pots can be lifted at intervals during the winter.

Late perennials that are still in blossom can be protected from light frost with a canopy of cheesecloth placed on a frame. Even sheets of newspapers spread over the tops of the plants will save them. Remove the cover during the day, replacing it after sunset. Gladioli bulbs may be taken up, with a broad-tined fork. After digging, the bulbs should be buried in the sun for several days before cutting off their leaves and storing the corms in a cool, dark part of the cellar. When the leaf tips are brown it is time to dig them.

A plant or two of parsley, taken up from the garden and reset in a pot of good soil, will do well all winter if kept watered and in a sunny window of the kitchen. This is one herb whose appearance, odor and flavor are all welcome in winter weather.

Changes in hardy border arrangement planned this summer ought to be carried out now. There will be no delay when next spring comes along. Stone chips used as top dressing will not only reduce erosion in the rock garden but also help to prevent soil heaving and its damage to roots. Work them up close around the crowns of the plants. Get them in place now and let them remain there permanently.

Transplanting of trees and shrubs can begin as soon as their leaves fall and may be continued until just before freezing weather. Always tramp the best soil firmly around the roots. The top growth ought to be reduced about one-third, and even more if the roots were badly damaged. Staking is recommended for trees two inches and over in diameter to prevent swaying by the wind before they are established.

Alvina Giljum Weds Clarence Neibuhr

At five o'clock on Saturday afternoon, September 26, Alvina Giljum and Clarence Neibuhr were united in marriage, at the residence of Mr. and Mrs. Walter Neibuhr on Elm street. The ceremony was performed by the Rev. J. E. A. Mueller, pastor of St. Paul's Evangelical Lutheran church of Mount Prospect.

Promptly at 5 o'clock Lohengrin's wedding march was played on the piano by Mr. John Thill, brother-in-law of the groom.

The bridal party formed on the second floor and marched down stairs to the living room, where the minister and a limited number of relatives were waiting. The procession was led by Albert Giljum, brother of the bride and Walter Neibuhr, Jr., brother of the groom. They were followed by Lorraine Miller and Ruth Grewe, the bridesmaids. Next followed Leona Soenken, matron of honor and then the bride. The groom was attended by Mr. Vernon Soenken and together they met the bride under a large white bell, where the ceremony was performed.

The bride wore a white satin dress trimmed with lace, and a beautiful veil of tulle and lace. She carried a bouquet of white roses and sweet peas. The matron of honor and the bridesmaids wore aqua marine blue taffeta dresses and each carried a bouquet of tea roses.

The relatives who were present were Mrs. Giljum, mother of the bride, Mr. and Mrs. Walter Neibuhr, parents of the groom, Viola and Arlene Neibuhr and Mr. and Mrs. John Thill and Ronald.

After the ceremony the bridal party drove to Des Plaines to have their photographs taken after which they enjoyed a wedding supper at Ray's Tavern at Rand and Elmhurst roads.

In the evening a reception was held at the V. F. W. club house, when over one hundred friends and relatives helped them to celebrate the happy event with a dance, Gilbert Busse's orchestra furnishing the music. Apparently everyone enjoyed themselves, for it was in the wee small hours that the party disbanded.

Rita Hinsberger Bride Of Nicholas Ley in Wedding at St. Norbert's

A simple but beautiful wedding took place on Saturday, September 26, at 9:00 o'clock at St. Norbert's church, Techny, Illinois, when Rita Hinsberger, daughter of Mr. and Mrs. Andrew Hinsberger of Arlington Heights, Illinois, was married to Wilbert Ley, son of Mr. and Mrs. Nicholas Ley of Park Ridge, Illinois, in the presence of both families, by the Rev. F. Markert, an old friend of the bride's family. The couple were attended by Edwin Hinsberger and Ethel Anderson. After a wedding breakfast at the Hartmann House, Wheeling, the newlyweds left for a short wedding trip and on their return will be at home to their friends at 11 S. Chester street, Park Ridge, Illinois. All good wishes go with the happy couple.

Fifty Attend Shower On Miss Minnie Heide; To Be November Bride

Miss Minnie Heide, of Schaumburg was accorded a bridal shower Monday at the home of her brother, Mr. and Mrs. Herman Heide, at Mt. Prospect. Fifty guests were present from Schaumburg, Palatine, Itasca, Des Plaines, Fairview, Chicago, Maywood, Elk Grove, Arlington Heights and Mt. Prospect.

Bingo was the entertainment with awarding of many prizes and delicious refreshments.

The shower umbrella, decorated in pink and yellow, was the work of Miss Phoebe Meyer with the aid of her mother, Mrs. Herman Meyer, of Arlington Heights. Among the many beautiful gifts was a 100-piece dinner set, the gift of three daughters of the god-mother of the bride-to-be.

Miss Heide is to be the bride of Hugo Heimsoth, of Arlington Heights in November.

RAINY RECORD SET FOR MONTH OF SEPTEMBER

The month of September became the rainiest September on record following the downpour over the week-end in the Metropolitan Chicago area, Forecaster J. R. Lloyd announced.

From Saturday noon to 8 a. m. Monday 2.69 inches of rain had fallen, bringing the total measure for the month to 9.91 inches. The rainiest September on record was in 1894 when 8.28 inches of rain fell in the entire month, Mr. Lloyd said.

Despite the heavy rains in September, the year is still 2.64 inches deficient in precipitation to date, Mr. Lloyd pointed out.

DOWN CRYSTAL LAKE IN A GREAT GAME

Arlington Eleven Develops Strength; Win 12 to 6 in Great Game.

Two of the tightest football teams that have been on the Arlington field in a long time, battled it out last Saturday afternoon in one of the wettest, muddiest games ever played on the local lot. Crystal Lake lived up to previous expectations and fought Arlington's Cardinals to the very end before succumbing 12-6. It was a regular dog-fight throughout. Arlington should have had the game in command all the way, but through their own misplays continually got themselves in trouble. The 70 yards penalties acquired by the Cardinals during the game very nearly cost them the verdict as did penalties in the Maine game a week ago.

The rain which started as a drizzle at noon gradually increased until it was raining steadily through most of the game. The football got slippery and the field greasy and the boys took to the showers with their football suits on at the finish to wash off some of the mud. Considering the condition of the field it was remarkable how few fumbles there were by either team.

Arlington was a much better team than the one which played Maine last week. Their blocking was harder and their tackling for the most part vicious. And on defense the forwards were getting across the line to smother most of Crystal Lake's plays. The Arlington stand on their own 2 yard line at the very end of the game when a Crystal Lake touchdown seemed inevitable was nothing short of marvelous. Leading only 12-6 with Crystal Lake having first down on their 2 yard line, a win for Crystal Lake or at least a tie appeared imminent. However, they courageously took their stand. Four tries

Football Fan Gives a Spectator's Viewpoint of Crystal Lake Game

In spite of lots of mud and too much rain, I saw enough football Saturday to make a good drenching worthwhile. The fact that both the lightweight and heavyweight teams won, was noteworthy, but the way that the heavies played as a team and individually is worth writing about. As the score of the main Arlington game hardly represented the strength of the two teams so the 12 to 6 score in this game is not indicative of anything. In my humble opinion Arlington played a superior brand of football and should have had a larger score. Aside from the fact that our boys were on the receiving end of 65 yards of inexcusable penalties they hardly looked like the same team that lost to Maine. Their blocking on offense and the defensive play of the whole team was so much improved that I think Coach Grose is to be complimented on the results of his fine work.

I feel that our high school is being represented by a much better team than pre-season predictions warranted and that they should make a very good showing in their conference this season.

G. B. Green.

netted exactly 1 foot for Crystal Lake and when Koppin booted out the danger was past, for there wasn't enough time for either team to score afterwards.

Arlington threatened to score early in the first quarter. After an exchange of kicks Richards took a punt on his 45 yard line and returned it to the Crystal Lake 30 yard stripe. A five yard penalty on Arlington moved them back to the thirty-five. Two sizeable gains by Richards and Mayerck gave Arlington first down on the eleven yard line. Richards picked up 6 yards to the five, but the gain was nullified by another offense and moved the ball to the 16 yard line. Here Crystal Lake braced, and by means of a long pass and a longer punt landed the ball on Arlington's 10 yard line. Richards dropped the punt and the visitors recovered. Arlington held for downs on the twelve yard line.

They then started a march to the middle of the field. An exchange of punts gave Arlington the ball again. A fifteen yard penalty nullified a 10 yard return but this only slowed up the march. Largely through Koppin's plunges aided and abetted by Mayerck, with a lucky pass, Koppin to Turner, the Cards pushed on down to a first down on the

3 yard line. Mayerck carried it over for the first score. The try for point was no good. Shortly afterwards the first half ended.

The second half was only well under way when Koppin barged through the line and led by a mass of interferences rambled 56 yards for the second Arlington score. After this Arlington let down slightly and Crystal Lake immediately took the ball on their own 40 and without relinquishing it, plowed over for their lone tally just after the last quarter started.

Then the fireworks started. After a five minute battle between the 30 yard lines, Crystal Lake booted a beautiful punt out of bounds on Arlington's two yard line. The Cards ran the ball out to their 32 yard line and fumbled. Crystal Lake recovered again and marched to the 12 yard line where Arlington again held for downs. Koppin's attempt to kick out was blocked and Crystal Lake recovered on the Arlington 2 yard line. Here the aforementioned stand by the Cardinals took place. When this dramatic situation was relieved the end of the game came none too hurriedly for the winners.

The Arlington line played a whale of a game, but for their penalties. All the penalties were acquired by the linemen, but this did not mar the brilliance of their play. All the way down the line—Hanauer, Baxter, Welflin, Duthorne, Annen, Harrah, Turner—they all came in for their share of the play. Hanauer again stood out as one of the best defensive ends Arlington has had in recent years. Turner looked better at end after shifted there and will probably continue at this position. Bill Annen looks like a "find" at the guard position and with Koppin did heroic work at backing up the line. These two really can dish it out from this position. Little need be said about the ball carrying of Richards, Mayerck and Koppin. Mueller at the blocking back had little opportunity to carry the ball.

A good turnout was on hand in spite of the rain and these loyal rooters were treated to a real session of thrills.

Arlington Opens Conference Season
The regular N. W. conference season opens this week with all teams, but Leyden getting into action. Arlington opens at home Saturday afternoon against Grant. Those who remember last year's game when the Cardinals took it easy and let Grant trounce them in the last half, will no doubt be on hand to see if Arlington can get some measure of revenge for this defeat. The "Cards" promise to be on their toes in this one in an attempt to open the conference season with a win.

Warren plays at Barrington on Saturday and Lake Forest at Libertyville on Friday, to complete the opening card. All these games should be top-notch attractions.

I would like to add at this time some comments on the conduct of children in the matter of school bus transportation. They must be taught to heed the patrols, to obey the driver, and to observe classroom conduct in the bus.

Parents should instruct their children accordingly. Their manners must be taught to them by their teachers and every one of them should be so instructed that he knows what is expected of him. Pupils should be on time in the morning to avoid delaying the bus; they should never stand in the road while waiting for a bus; they should not carry on unnecessary conversation with the driver of the bus; they should never throw waste paper or rubbish on the floor of the bus; they should never extend their arms or heads out the windows; they should report to the driver at once any damage done to the bus.

Balaban & Katz Loop Theater News

Starting Wednesday, Sept. 30, at the Roosevelt Theatre will be the long awaited screen version of James Fenimore Cooper's immortal classic, "The Last of the Mohicans." Randolph Scott, Binnie Barnes and Henry Wilcoxon portray the leading characters in the film.

Memorable scenes from the book have been closely followed by the director George Seitz, scenes such as the death leap of Cora and her Indian lover from Lover Cliff; the tomahawk battle to the death between two Indian warriors; the preparation and war dance of the Redskins on the eve of battle and many others that have made the novel a permanent joy to readers through the decades.

Supporting the three stars in the picture are Hugh Buckler, Bruce Cabot, Philip Reed, Heather Angel and Robert Barrett. "Last of the Mohicans" is a Harry M. Goetz production released through United Artists.

VERDICT OF LIFE OR DEATH FRIDAY NIGHT

Recreation Project is on Trial Before Court of Public Opinion; Deci- sion Due.

The Arlington Heights recreation association will meet Friday evening at the municipal building when either a verdict of death or life will be given for the association, its activities and the local WPA recreation project.

When first organized in 1935, there appeared to be a need and a demand for recreational projects for the children during the summer. The general public responded so well that such a project was carried on and paid for by the community through contributions of organizations and individuals.

Since that time efforts were made to get the government to make such a project part of their program for the village of Arlington Heights. At the beginning of the past summer, no definite word was received from the WPA authorities and the old organization again started activities. For some reason the contributions to the funds were slow in arriving and repeated appeals brought little results. However even more children that the previous year availed themselves of the service.

Thus, when word was received that approval had been given to a year around WPA recreation program for Arlington Heights, it was welcome news. A number of local people were assigned to the work, their salaries costing the local organization nothing. Quantities of recreation equipment arrived and everything seemed to be favorable when fall arrived and the necessity for indoor quarters became apparent.

The committee has not been able to secure suitable quarters. Whether they will officially give up the project and give a death sentence to directed recreation in Arlington Heights depends in a large part upon the number of interested citizens who appear at the municipal building Friday evening.

"This has reached a point," stated C. L. Griffith, vice president Wednesday, "when Arlington Heights with the possibility of a park field house in the offing either throws up its hands on recreation, or citizens make one more effort to find the quarters that will keep the projects alive."

The meeting Friday night is public. Parents of children who are enjoying the recreation work are especially urged to attend.

Often Overlooked Law

One Illinois law punishes quite severely the exhibition, within view of a minor child, of magazines devoted to criminal news, police reports or accounts of criminal deeds.

WHEELING

Mr. and Mrs. Jesse Tesch motored to Burlington, Wis., last week to visit the Clarence Hoffmann family.

Mr. Samuel Kruse of Grand Rapids, Michigan, who had been visiting here with his son, passed away last Tuesday after a few days illness. The body was taken to his home town for burial. His son, Mr. Ernest Kruse and wife were away the latter part of the week to attend the funeral services.

Mr. Hans Schmidt has been confined to his home because of illness during the past week.

The Turner family has moved into the Schwingel residence on Milwaukee avenue.

Little Francis Gunkel suffered a fractured collar bone last Tuesday, when the auto in which he was riding with his parents, collided with another car at an intersection in Wisconsin.

A message from Chicago brought word of the death of Mr. Andrew Kroll at the home of one of his children early Friday morning. Mr. Kroll, who was past 80 years of age, had enjoyed good health until shortly before his death.

Mr. and Mrs. Fitzpatrick and infant daughter, Carol, flew to Missouri, to pay a surprise visit to relatives last week, leaving early Tuesday morning and returning Saturday evening.

Mr. and Mrs. John Schminke and Mr. and Mrs. John Meyer motored to Niles Center last Friday evening where they called on the Will Koebe family in their new home.

The George Perolat family of Chicago moved into their new home on the Schneider homestead on Milwaukee avenue on Tuesday. The Perolats were residents of Wheeling in their youth and chose to make their home here again upon retiring from business life. We are glad to welcome them back to the village.

Morning worship, 10:55 o'clock. The Sacrament of the Lord's Supper will be observed at this service. All members and friends of the congregation are invited to join in this service.

Sunday church school, 9:30 o'clock. This Sunday will be the Rally day service of the church school and the first Sunday of the official school year. All children, young people and adults not otherwise affiliated are invited to attend. Regular members are urged to be present and work toward a good record during the new year.

A pot-luck fellowship supper will be held in the church basement on Friday evening at 6:30, to which all young people and adults are invited. A guest of honor will be Miss Dorothy Barnes, of Nun, Colorado, who will be with us during week-ends to assist in a musical program of the church during the winter. Special entertainment will also include a young men's quartet of which one of our own young men is a member. Other numbers are being planned and an enjoyable evening is assured to all.

On Saturday afternoon at 2:30 o'clock all grade school children that enjoy singing are urged to come to the church to meet with Miss Barnes and spend a period in singing.

Park Ridge Ford Dealer Announces Special Used Car Sale for October

Opening day crowds yesterday in this and other cities of the United States indicate unusual success in the nation-wide Ford Dealers' Used Car Clearance Sale being conducted throughout the country. Charles J. Dempsey, head of the Dempsey Motors Corporation, announced today. The sale will continue throughout October.

"Special bargains in used cars drew crowds to our display throughout the day," Mr. Dempsey reported. "Our unusual display, coupled with the fact that this sale is part of a nation-wide Ford dealer movement, brought us greatly increased business. Scores of persons who have been planning to buy a better car for winter driving apparently are taking advantage of this nationwide sale."

"We were very much gratified at the number of sales which were closed during the day, particularly because of the ready acceptance of our cars and trucks appeared to have with the public."

Ancient Italian Town

Casino was the ancient Italian town where Marc Antony was reputed to have held his orgies and where, at the foot of a mountain, the Romans constructed an amphitheater mentioned by Pliny.

The Fitzpatrick-Schaefer families have adopted the slogan, "See Illinois first." Since their recent week-end trip spent in the vicinity of Galena, there is Apple River, canyons, rocks, cliffs and pictureque scenery all about them, as well as historic reminders of early history. Among these, was the old home of General Grant. The architecture of buildings was impressive; the antique shops held intriguing items; everywhere the travelers looked, waved the beautiful sky blue morning, which seemed to wave a banner of welcome. And you may be sure our flower lover friend, Mrs. Fitzpatrick would be sure to see. So many only think of Galena in a commercial way, yet it's mines were of little interest compared to historic and scenic wonders.

It's the first of October and moving time. Mr. and Mrs. Anthony Stojak have moved from 630 So. Chestnut to Chicago.

Evangelical Women Meet in Convention

(Continued from Page 1)

they could change the life of the entire church. Prompted by an overflow of passionate love, ease and color differences would be forgotten, and the inner life of a warm heart would be creating the outer attitude. The winning of souls should take first place and church property take secondary place. The God of Love was revealed in Jesus coming, who came to serve. The speaker challenged, that if we would follow, we must take on the things He did.

The second day morning session was centered on "The Light of Missions."

Mrs. Martha Herrscher, a missionary from Pinalajo, Honduras, spoke most interestingly about their work in Banana land, as she called it. She pictured the evangelizing, the medical, and the educational missions. She portrayed the beauty of the country of Central America. Mrs. Herrscher won the hearts of all, by her pleasing personality and by the manner of telling about their work.

This address was followed by a message from Miss Carrie Kerschner, of Philadelphia, Pa., who is the executive secretary of the Women's Missionary society of the General Synod, of the former Reformed church. In this address, the assembly followed with interest the work of Missions in China. Since this field has become a part of the work of the Evangelical group, through the merger this address proved to be very interesting, and provided necessary information eagerly sought for. It was pleasing to note that the women of the former Reformed church have already appropriated next sums to serve in the work of Home and Foreign Missions of the former Evangelical church.

The address in the last session was based on "Sending Out the Light." In a forceful manner, Dr. Timothy Lehmann, president of Elmhurst college, stressed the need for young men and young women, who would give themselves for full time service, in the work of the church. Then on the other hand, the speaker made a plea to the churches and challenged them to give adequate support to those who are willing to give full time service.

Each department chairman had a printed statistical report of the work done in 1935, by the six federations of the district. They also offered helpful suggestions and information, relating to their respective departments.

Mrs. Lydia Born, who served efficiently as treasurer for two terms, retired from office and Mrs. Lillie Fessler, of West Chicago, was elected to fill this office. Mrs. Bertha Voeks, was honored by being re-elected as president for a second term.

Mrs. Martha Guthardt, recording secretary, of Chicago, and Mrs. Bertha Voeks, president, of Palatine, were chosen official delegates to the next national convention at St. Louis, Mo., May 18-21, 1937.

AT THE CATLOW

Myrna Loy and Warner Baxter are starring in "To Mary, With Love," the picture now playing the Catlow theatre, Barrington. This picture closes its run Friday night to make way for the Saturday screening of Bret Barte's, "M'Liss." This Western classic stars little Anne Shirley with John Beal and Guy Kibbee cast in the important male roles. In addition to the feature there will be added Pathe News, Sportsland, Cartoon, Comedy and 9:00 p. m. Gift Event.

Sunday and Monday picturegoers will have the opportunity of meeting Jessie Matthews in her feature number, "It's Love Again." With Robert Young and Sonnie Hale, the picture has three sure-fire stars. Short subjects for this bill include a color Cartoon, News reel and Comedy.

"The Last Outlaw," presented as the bargain night attraction next Tuesday, has for its stars Hoot Gibson, Harry Carey, Tom Tyler and Henry B. Walthall. It is a rapid-paced yarn of old West courage against the cunning of the newer order.

Marc Connelly's fable, "The Green Pastures," is scheduled to play the Catlow next Wednesday, Thursday and Friday. It is highly amusing with the humor of the old South, yet tenderly reverent in the moving and majestic scenes of Biblical lore. Feature hours are announced for 7:30 and 9:30 p. m.

Sheriff Police Raid Bookies

Discharge of Firearms Prohibited on Highways And Forest Preserves

Commanding Officer Lieut. Andel, of the Morton Grove Highway sheriff station has issued the following order to all Deputies under his command: "Arrest and prosecute all persons caught discharging firearms on highways, in forest preserves and in any thickly populated area even though the possessor of the gun asserts that the season on the particular game is open." This order was the result of an incident in which Mrs. L. L. Johnson, Sanders road near Willow while peacefully sitting on her front lawn received a bullet wound in one of her legs.
